A CLEAN MAN.

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues and fibers in every organ of the body. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood.

Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It doesn't make the flabby fat of corpulency, but the firm flesh of health.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to inebriate or create craving for injurious stimulants.

Mr. John L. Coughenour, of Glen Savage, Somerset, Co., Pa., writes: "My appetite was unusually poor, and I was as weak and nervous as though I had been starved for months. My heart kept throbbing continually and I was short of breath. Finally I wrote to you for advice and you informed me that I had indigestion and a torpid liver. I did not think your diagnosis was right, but I ordered six bottles of 'Golden Medical Discovery' from you and began its use. After using three bottles I began to improve slowly and soon went to work, and I have been working ever since."

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc. You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol

Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Witte Interviewed.

The Paris Matin published yesterday an interview one of its correspondents had with M. Witte. In it Witte explains how the Japanese made their volte face in respect to their demand for an indemnity. Witte said he noticed after his arrival in the United States a sudden change in American opinion in favor of Russia, and took into account the advantage which he might derive from American popular opinion in attaining the object he had in view.

In order to accentuate this movement of opinion he resolved to yield quickly on all demands of Japan that appeared just, so as eventually to place the negotiations on the sole basis of indemnity. He was then able to invoke principles of humanity, and leave with Japan the responsibility of shedding more blood for a question of money alone. The American press took the same standpoint, and reproached Japan for her want of disinterestedness.

President Roosevelt was moved. He appealed to Baron Kaneko and made him cognizant of what was going on, and warned him that his country need no longer rely upon the support of America if she persisted in continuing the war on the sole question of money.

Kaneko immediately cabled to Japan in dismay, and the Mikado's government made a volte face.

Said Witte: "It was time indeed. On two separate occasions I was advised by telegram to start for home soon as possible and break off negotiations. The first time I replied, requesting a short grace, in order not to appear to be acting hastily. August 28, on the eve of the supreme sitting of the conference, a second telegram reached me. To this I replied, 'I have done with war. This time, it is peace.'"

Miss Roosevelt in Seoul.

Through streets of Seoul crowded with white-robed Koreans and lined by the imperial bodyguard standing at "present arms," Miss Alice Roosevelt, riding in the imperial yellow palanquin, yesterday evening triumphantly progressed from the railroad station to the American Legation. The roadways had been freshly paved and the shops draped with Korean and hastily hand-painted American flags.

Miss Roosevelt, Rear Admiral Train, Senator and Mrs. Newlands, the Misses Boardman and McMillin and Congressmen Longworth and Gillette arrived at Chemulpo yesterday afternoon. American Minister Morgan and staff and a number of high Koreans greeted the party, which proceeded to Seoul by a special train. The imperial car, which is only furnished to royalty, was placed at Miss Roosevelt's disposal.

The court chamberlain met the party at a half-way station on behalf of the Emperor, with inquiries as to Miss Roosevelt's health.

On arrival at Seoul the party was hailed by a Korean band, which played the "Star-spangled Banner." Korean policemen and Japanese gendarmes guarded the roadway, and grotesquely clad retainers bore long lanterns. The passage of the party along the streets was everywhere heralded by the bugles of troops.

Miss Roosevelt and Mrs. Newlands are guests of the American Minister, and the rest of the party are staying at the imperial palace.

Will Not Grant Demands.

One of the biggest coal operators in the Scranton, Pa., region, who has just come from Philadelphia, where he had a conference with President Baer, of the Reading, yesterday declared, unhesitatingly and for publication, that the operators will not, under any consideration, grant the demand of the mine-workers for an eight-hour day, and that they propose to agree only that the present agreement shall be continued.

Announcement to this effect will be made, he said, after the miners hold their convention in Shamokin, December 14.

"An eight-hour day," the operator continued, "would be equivalent to a 12 per cent. increase of the miners' wages. If we granted that it would be necessary for us to raise the price of coal, and the public would not stand for that. We are willing, however, to readopt the present agreement with the miners, perhaps with some modifications that can be mutually decided upon."

"I was speaking to President Baer the other day. He said that nothing would be done until the miners finally formulate their demands at the Shamokin convention on December 14, and present them to us for our consideration. The operators will not entertain the eight-hour day proposition; that is a certainty."

Another Crisis

Another crisis has arisen in the negotiations between France and Germany relative to the Moroccan conference. This has resulted in a suspension of the meetings between Dr. Rosen and M. Revoll, respectively the special plenipotentiaries of Germany and France. Their last meeting occurred three days ago, and there is no present sign of the resumption of their conferences. Dr. Rosen in the meantime is seeking instructions from Berlin, but the extended delay begins to excite apprehension in official quarters that Germany will not yield upon points which France considers essential. Both sides show anxiety, and the strain promises to seriously affect the bourse.

The foreign office, however, continues to view the situation as being susceptible of adjustment, and specifically denies the alarmist report in a French newspaper that the German demands include the port of Mogador, upon the Atlantic coast of Morocco.

Ask Your Grocer For It.

What is a "Razzle Dazzle?" Something new to amuse old and young—a very ingenious novelty that we will give away Friday, September 22d, for five labels from Corby's Mother's Bread. Don't fail to tell your grocer to save one for you.

Corby's Mother's Bread is 5 Cents a Loaf.

It's the best bread in the world—the purest, cleanest, highest grade bread. Best for children; best for grown folks. Recent tests of different breads offered for sale in Alexandria have been made with the result that many contain 30, 53, 77 and 150 per cent more acidity than normal.

The Same Tests Made of Corby's Mother's Bread

have shown in every instance that the completed product contains only the normal amount of acidity as contained in the raw ingredients before making them up.

THERE IS NO MORE FORCIBLE ARGUMENT IN FAVOR OF CORBY'S MOTHER'S BREAD

For everybody must acknowledge that the excess of acidity in these other breads must be injurious to the delicate tissues of the stomach.

CORBY'S MOTHER'S BREAD is a perfect bread—scientifically made—perfectly developed—perfectly fermented and even more nutritious than meat.

HOT BREAD FOR EVERY MEAL.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter he says, "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by E. S. Leadbeater & Sons, druggists, at 50c a bottle.

A Laxative Cough Syrup.

"A cold or cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For the want of moisture the bowels become dry and hard." Kennedy's Laxative Honey and Tar is the original Laxative Cough Syrup. It meets and corrects the above conditions, by acting as a pleasant cathartic on the bowels—expels all colds from the system and cures all coughs, croup, whooping coughs, La Grippe, bronchitis, etc. Sold by W. F. Creighton & Co., 401 King street.
